Hi Selena,

I agree with the AMD 901/902 Site boundary shown in the link below. I believe you already have the boundaries attached, but just in case attached are the Triple Site site boundaries.

Michael

Subject: AMD Inc. NPL Boundary

Hello Michael,

I was looking at the SEMS website and see that you are listed as the RPM for AMD Inc. Please review and approve the web map for this NPL site (linked below) if you see fit. Thanks

Advanced Micro Devices, Inc.:
